RE: Freedom Employment Services

Dear Mr. Ryan,

I am writing to follow-up on our previous conversation regarding your client, Freedom Employment Services, making arrangements to comply with the subpoena duces tecum issued to its Custodian of Records on September 19, 2018. As I have not heard from you regarding your client's intentions, I am requesting that Freedom Employment Services comply with the subpoena by no later than the close of business on Wednesday, November 14, 2018.

If I have not received the subpoenaed documents by this deadline, the Region will file an application for an Order enforcing the subpoena in United States District Court for the Northern District of Ohio soon thereafter. Please note that it is still acceptable for your client to submit a more limited scope of documents as its initial response and, if after review, I determine I need further information that was covered by the subpoena I will reach out to you to discuss the matter.

Thank you for your cooperation.

Thank you,

/s/ Kelly Freeman
